

LOS ANGELES SOL

TUNNEL TEAM INSTRUCTIONS

We are pleased that you will be participating in the Tunnel Team at a Los Angeles Sol home game. This is your chance to go down to the field and high-five the Sol and opposing team players as they walk out the tunnel onto the field!

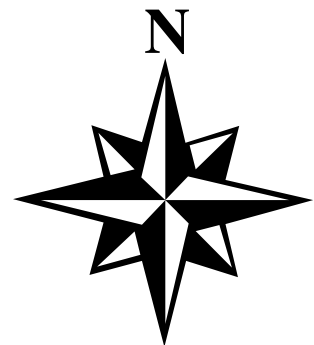

Being part of the Tunnel Team is a fun and exciting privilege, but it is also a significant responsibility. Therefore, please read the following rules and guidelines:

- Each Tunnel Team participant and a parent/guardian **MUST** sign a waiver that will be turned in at check-in. Blank waiver forms are enclosed with your tickets or can be emailed to you by your Sol Account Executive. Each Tunnel Team participant should bring his or her completed waiver form to check-in.
- Tunnel Team participants should arrive at The Home Depot Center no later than 60 minutes prior to the start of the game (e.g. 6:30pm for a 7:30pm game). Any Tunnel Team participants arriving later than 60 minutes prior to kickoff may lose their position. **Please allow enough time to travel, park, and enter the stadium. Due to strict time constraints on game day, no one arriving late will be permitted to access the field level.**
- The meeting place for the Tunnel Team is the **NORTHEAST CORNER OF THE TENNIS STADIUM, INSIDE THE STADIUM GATES**(see map below; check-in is between the Goalie's Grill concession stand and the Tennis Stadium itself). Tunnel Team participants will check in at this table and pick up a wristband. A Sol representative will escort the Tunnel Team to their posts. Only children with wristbands for field access are allowed onto the Stadium Field; adults may wait at the top of Section 140 to watch/take pictures.
- Everyone entering the stadium will require a ticket. Additional tickets will be available for purchase at the Home Depot Center box office. Group Discounts will only be honored with advance orders and not day of at the box office.
- Any Tunnel Team participant not following the directions of Sol representatives may be removed from the Tunnel Team.
- After the completion of their duties, the Tunnel Team participants will be escorted by a Sol representative to the Tennis Stadium. Parents/guardians should meet their children there after the Tunnel Team leaves the field.

If you have questions about Tunnel Team duties or any of these guidelines, please call 877-4-SOLTIX (877-476-5849) prior to game day to speak with a Sol representative. Thanks again, and we look forward to seeing you on the pitch!
